Under the agreement for 2015
Clarke Creek State School will receive $5,000*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Ensure that 100% of year 3 and year 5 students will achieve the National Minimum Standard in Literacy and Numeracy.
- Ensure that 100% of students achieve a “C” standard or above in English and Mathematics.
- Ensure that 100% of Prep students are able to read and comprehend short, predictable texts and compose and record short, meaningful sentences.
- Provide an Individual Learning Plan for students at risk of not reaching the National Minimum Standard.

Our strategy will be to

- Provide professional development and coaching to ensure teachers are able to deconstruct Australian Curriculum: mathematics content and provide targeted and scaffolded instruction to secure highly effective first teaching of essential mathematical concepts and skills in every classroom.
- Prepare and support teacher aides to consolidate student learning in numeracy and literacy.
- Provide education for parents of Pre-Prep and Prep students to support the development of oral language and early literacy and numeracy skills at home.
- Provide focused and intensive teaching for students requiring additional support to demonstrate achievement against the year-level achievement standards.

Our school will improve student outcomes by

- Develop and implement an oral language program for Prep – Year 1 $400
- Introduce online personalised numeracy learning opportunities $500
- Employ additional teachers and teacher aides to enhance classroom support $4100
