Important Notice regarding Transport to School Events.
The Education Department asks for documentation when parents are transporting children to school events.
Could you please provide the school a copy of the following details.

1. Current Driver's licence
2. Current Car Insurance details - Compulsory 3rd party
3. Current Car Registration certificate
4. A Blue card is necessary if not a parent or a teacher.

If you are not taking any other children other than your own, you do not need to supply the information, however it is helpful should plans change and we need to rearrange transportation arrangements.
These copies can be kept at the school and only updated when you renew your insurance, licence and registration.
